

NOTICE OF STAKEHOLDER MEETING

MEETING RELATED TO THE TRI-BASIN NATURAL RESOURCES DISTRICT AND THE NEBRASKA DEPARTMENT OF NATURAL RESOURCES INTEGRATED MANAGEMENT PLAN

The Department of Natural Resources (Department) and Tri-Basin Natural Resources District (TBNRD), are preparing an update to the Integrated Management Plan (IMP) for TBNRD.

Notice is hereby provided that a public meeting of the IMP Stakeholder Advisory Committee has been RESCHEDULED to **Tuesday, March 19, 2019**, at the Tri-Basin NRD office, 1723 Burlington St., Holdrege NE. An agenda for the meeting will be available for public inspection during normal business hours at the offices of the TBNRD and the Department, and at the following website: www.dnr.nebraska.gov. Please refer to the websites and phone numbers listed below for further information.

This stakeholder meeting will begin at 1:00 pm CT. A public comment period will be provided.

The current IMP for the TBNRD was developed following the determination in 2004 by the Department that the entire District was fully appropriated and a portion of the District was over appropriated. TBNRD's initial first increment IMP was adopted in 2009 and is effective through fall of 2019, at which time a second increment IMP must be drafted and ready for adoption. According to *Nebraska Revised Statute* §46-715, the IMP will be developed in consultation and collaboration with District stakeholders and include: clear goals and objectives with a purpose of sustaining a balance between water uses and supplies; a map of the area subject to the IMP; at least one groundwater control and one surface water control; and a monitoring plan.

Individuals with disabilities may request auxiliary aids and services necessary for participation by contacting the Department by Monday, March 18, 5:00 pm CT, at (402) 471-2363 or by email at beth.eckles@nebraska.gov.
